

Getting finance for your business

A step by step guide on accessing finance through Funding Options by Tide

A step by step guide on accessing finance through Funding Options by Tide:

Complete the application form

At Funding Options by Tide, the application process has four easy steps – it takes minutes to apply, and there's no obligation to continue.

1. A Business Finance Specialist makes contact

Initial discussion to further understand the request and the business. This is when we can suggest how we may be able to assist, and ask for any documentation required to proceed with applications.

2. We send the proposals to lender

From here, we work with our 120+ lending partners to find a product that might be the best fit and send proposals to possible lenders.

3. We receive an offer from the lender

If your business is suitable for the product, the lender will send an offer which will then be reviewed.

4. Offer accepted!*

Depending on the product, businesses can have the funding in as little as one day.

*Subject to final checks by the lender

Please note that the information above is not intended to be financial advice. You should seek independent financial advice before making any decisions about your financial future.

It's important to remember that all loans and credit agreements come with risks. These risks include non-payment and late-payment of the agreed repayment plan, which could affect your business credit score and impact your ability to find future funding. Always read the terms and conditions of every loan or credit agreement before you proceed. Contact us or Funding Options for support if you ever face difficulties making your repayments.
