

Typical requirements to complete a commercial credit application

Documentation requests

By using Funding Options by Tide, our business finance specialists will guide you through the process and find the right product to suit the needs of your business.

Information that we will need from your business to proceed with your application:

- Six months of business bank statements
- Last set of full financial accounts
- Nine months of Management Information should be submitted if filed accounts are older than 12 months on Companies House
- Last four quarters of VAT's

Speak to your accountant or advisor today to find out how you can get finance to support your business growth.

Please note that the information above is not intended to be financial advice. You should seek independent financial advice before making any decisions about your financial future

It's important to remember that all loans and credit agreements come with risks. These risks include non-payment and late-payment of the agreed repayment plan, which could affect your business credit score and impact your ability to find future funding. Always read the terms and conditions of every loan or credit agreement before you proceed. Contact us or Funding Options for support if you ever face difficulties making your repayments.
